This is a list of contractors who successfully obtained a Village business license to do work in the Village limits of Oak Lawn. In order to obtain a valid license, the contractor must annually show proof of insurance and pay a licensing fee.

This listing is not a recommendation or endorsement of any of the above companies. It does not reflect professional status, professional conduct, ethics or morals.

If you locate and choose to hire a contractor not on this list, please direct them to our licensing personnel in order that they maintain legal status and receive a valid business license: Diane Cipolla 499-7775.

The state of Illinois currently does not have a state licensing program for tree care companies. (This program was abandoned in the 1980's.) An international standard of tree care knowledge is measured by ISA's (International Society of Arboriculture) Certified Arborist program. For more information about Certified Arborists visit http://www.isa-arbor.com or www.illinoisarborist.org

When you do choose a contractor, it is recommended that you request a copy of their Village of Oak Lawn Business License and proof of insurance, for your protection.

The information above is correct to the best of our knowledge the date of print. Statuses may change. Please confirm information before proceeding to hire a contractor.
