Good Afternoon Ms. Quinlan,

I am looking for environmental records in connection with two commercial properties for a Phase I environmental assessment:

10900 South Cicero Avenue  
11006 South Cicero Avenue

These records may include ASTs, USTs, spills, illegal dumping, fires, accidents, etc. Part of this area has been recently developed in the past few years and I was hoping to locate anything the village might have on-file not previously identified.
