Box lunch will be held at V.F.W. hall Thursday Aug. 28th. Tickets on sale \$4.

The trip to Sox Park was discussed. It was decided we need to get more information when booking a party anywhere. There seemed to be a lot confusion due to the fact that they had no one to guide them.

Cathy, said the number of seniors using the center had gone up which is good. Do think they should get names when attending any activity so we maybe could see if they are new members.

Cathy, also said they plan to have a trip every other month some of the things we talked about before. Gave Cathy a brochure from Drury Lane.

The Board of trustees' meeting Aug 13th nothing new as far as center at V.F.W. Right now no opposition. They meet again Aug. 26, 7:00pm Village hall.

Discussed the picnic it was decided that they will put the tables on the lot to make it easier to walk. We talked about trying some games, will discuss further, at next meeting.

Ginger, has no new information from the last commissions meeting. She did bring up the Ronald McD House. Talked about volunteering or donating money. We have to look into it JoAnn, will see what she can find out.
