

Oak Lawn Senior Council Meeting  
Minutes

Sept. 11, 2014

Meeting opened at 10:00 am. Everyone was in attendance w/ a special guest from the Village. Brian Hanigan, Director of Finance for Oak Lawn.

Brian came by to meet all council members and thank us for serving on the council. He said the seniors in Oak Lawn have been without a council for to long time. He came to give us the good news that VFW plan was passed by the board unanimously on Tuesday, Sept 9, approving \$12,500 for project. They have moved forward and now have Wright Engineering working on it. So we are moving along, but can not estimate how long it will be. Mr. Hanigan said he is available to answer any questions. He suggested that we have 3 signatures on Oak Lawn bank accounts. He thanked us again and left.

JoAnn, read minutes and they were approved.

The meeting moved on and Bernie handed out financial report. Some one decided to make Pres. Darline the 3rd party to sign accounts. Everyone agreed.

We then discussed the trip on Oct.8 (Botanical Gardens, Ticket price \$37). Cathy had most of the information. Had to discuss bus they planned to use and cost of bus which the council funds will pay for. It was decided we would not use School Bus because of distance. We decided to use "MOTOR COACH" however it will be more money. Council will pay \$300 for bus.

Ginger reported that there was not much going on at Trustees Meeting. She did bring up the fact that we badly need new Bingo cards, everyone agreed. We need to find out about purchasing them.

We also talked about having Rummage sale. Mr. Hanigan had some suggestions. We discussed putting minutes on Oak Lawn web page.

A surprise guest stopped at 11am (our meeting ran (1 hr. 45 min)). Mayor Bury was very excited about the VFW plan passing. Short visit, but nice.
