

Senior Citizens Council Meeting  
Minutes Feb 12, 2015

Meeting opened at 10:01am every one was present except Cathy, Jen filled in for her.

Minutes were read with 1 correction Winnie, says no tickets for OLHS.

Bernie explained financial report. A question was asked by Bernie, asking if we could get a financial report from Genesis that was put to Jen.

We also had an official vote on the bus for Drury Lane March 18, 2015; we still have a few tickets to sell hopefully that will happen. We need to advertise are activity more.

We discussed what we knew about our "Fall on the Green" project not until September. They are giving us the spot free of charge. It was decided we had to have 1 person in charge and she will form a committee. We asked for a volunteer to be that person, Mary Brandt took that job. Everything has to go thru Mary and her committee not much for a while.

Ginger said she was at a Mayor's luncheon and they talked about V.F.W. Things are moving a long, they say. Ginger had a floor plan that was drawn up by the company that was hired by the village White Engineering.

Next was the box lunch. We discussed the meal we had in Jan. Some were not happy with it. A question was asked. Why do the seniors have no input in choosing lunches? We need to discuss it at a different time. Next box lunch, hot meal from Mariano's Feb 26, 2015 \$5 Senior Center 10am.

The Center has a box in the office to give food for food pantry; we need signs about that in the activity rooms. Most peoples are not aware of that. By Laws will be discussed in Sept, any changes will be made in Nov.

Next Meeting will be March 12, Thursday. The council members decided we would try again in the bank's fancy Board Room. Bernie took care of that when he left the meeting, we are booked at the bank same time and place.

Meeting was adjourned and seconded at 10:50 am

JoAnn Dwyer, Secretary
