

Oak Lawn Senior Citizen Council
Minutes
March 12, 2015

Meeting opened at 10:00am

All were present except Bernie and Carole

JoAnn read minutes, they were approved.

Larry handed out financial report that was approved for audit.

We discussed food drive it was decided we should have more boxes available, in office near entrance and activity rooms with signs. We explained to members that just 1 or 2 cans at a time helps (can not use anything that is expired). We are going to work on that.

We had a visit, Budget Director Joanne Suczynski from our Budget Dept. She had an idea of maybe mailing out some information with water bill it is only every 3 months but that would be something. Thanks to Joanne for her interest.

Jen had made up a graph to show how our attendance activities have improved. She did a very nice job on it. We all got copies of it. Box lunch is March 26, Senior Center. Hopefully we do well on food drive.

Ginger had a survey that they would like to get all senior members to fill out, that was 1 of the things they thought of mailing with water bill. We also had our usual discussion about V.F.W. Nothing has changed much they are not very concerned about their members vote. It was brought up that they were trying to get us in downtown location.

Mary Brandt was in touch with Fall on the Green Committee they do have a spot for us this year, more will be discussed later.

Next meeting will be OL Bank Apr 9, 2015; Larry took care of reserving it.

A motion was made to end meeting 11:02am and was seconded.

JoAnn Dwyer, Secretary
