

Oak Lawn Senior Council Meeting
Minutes
April 9, 2015

Meeting opened 9:58am all were present.
Minutes read and were approved.

Bernie handed out copies of Financial Report. We still had not officially approved cost of bus for West Side Story that was done, is now approved.

We had some discussion on the funds that pay for snacks for activity group. They are covered by genesis and what is collected in "Donation" can. The funds that genesis gets from the village goes towards running the office. We had a complaint from a senior that every one does not contribute; we can't do much about it, it is voluntary. Cathy or Mike will talk to some of the seniors that seem to have a problem with it.

Ginger had a new drawing of plan from V.F.W. with some changes. They have added a new room; also we will have access to small kitchen. There is nothing more about our new home, just waiting. All votes from V.F.W. are not in yet. Box lunch will be at V.F.W. thru July.

They will start sending out surveys with water bills or you can pick them up in Senior Office or Village Hall. Survey should be done by June.
We have a zoo trip coming up in June it was delayed because of a problem with tickets. We will subsidize trip \$200.
