THE CHILDREN'S MUSEUM HONORS: Congressman Dan Lipinski & Ron and Sue Rescigno

The Children's Museum announced that Congressman Dan Lipinski, Ron and Sue Rescigno will be honored at this year's annual gala event. The gala event will be held at the Oak Lawn Hilton on Saturday, April 30, 2011. This year's theme is "You Could Be Magic!"

Congressman Dan Lipinski has been instrumental in helping the museum secure federal grants and has been a vocal advocate for the museum. The latest grant came through IMLS for \$190,000 in 2009. This helped the museum secure several hands-on educational exhibits prior to opening in July of that same year. Dan and his wife, Judy, also participated in the museum's annual 5K Birthday Dash in Oak Lawn last July and Dan has appeared in a promotional video talking about the benefit the Children's Museum in Oak Lawn brings to the region.

Ron and Sue Rescigno, owners of Rescigno's Mailing Solutions, have been an integral part of the museum since the beginning. Ron serves as Vice President of the museum board and has been a leader in the area of direct marketing and development for the museum. In 2008 and 2009, Sue Rescigno served as chairperson of the museum's annual gala. Under her leadership, the museum broke fundraising records for the event, which netted the museum just over \$81,000 over the two years. Sue has played in another important role assisting the museum with direct marketing strategies.

"Congressman Lipinski has been one of the museum's strongest advocates," said Adam Woodworth, the museum's Executive Director. "Dan understands the positive economic impact that the museum has not only on the Village of Oak Lawn, but on the region. While most of our visitors come from the Chicago area, we have welcomed visitors from 35 other states. When museum visitors stop at Andy's Custard to buy a treat or have lunch at Potbelly's right next door, that's sales tax money flowing into Oak Lawn. We are truly blessed to have Dan Lipinski as a friend of the museum."

"Ron and Sue Rescigno have been involved from day one," said Woodworth. "Whenever you need something, need to brainstorm about marketing, or generate some ideas on how to maximize fundraising efforts, Ron and Sue are two of the first people I call. Back in 2009, we were able to convince Sue to head up the museum gala and during that year, she led a team of committed volunteers to a net income of just over \$56,000. Through her efforts, we were introduced to many people who have now become museum supporters."

If you would like to receive an invitation for this event, call Bernadette at the museum at (708) 423-6709 extension 204.

Dollars For Dotty

“Nobody can go back and start a new beginning, but anyone can start today and make a new ending”. –Maria Robinson

Dotty is a 48 year old woman with a caring, loving family. Kevin, her partner of 14 years, Ken and Kathy, her 2 children, and 7 grandchildren, Kenny, Robert, Mitchell, Jake, Leah, Logan and Cassidy are the loves of Dotty’s life.

Summer is Dotty’s favorite time of year. The family activities are endless. They enjoy the zoo, beaches, festivals, camping, and hiking, all of the wonderful things that form lifetime memories. The summer of 2010 was different. In early June, Dotty started to experience severe pain to her back, right side, and stomach. She made 3 trips to the emergency room each time receiving a CT scan. All 3 times she was sent home with pain pills and a diagnosis of bulging discs. Struggling with the pain throughout the summer, Dotty was unable to participate in the family outings she loved so much. Going to work was getting more difficult as the pain steadily increased.

On September 22, 2010 Dotty was rushed to the hospital a 4th time. It was that day that would change the lives of Dotty, her family and her friends forever. She was diagnosed with Stage 3 Colon Cancer, medically known as Aden carcinoma of Cecum with it being in the lymph nodes. That day a perforated tumor, the size of a large man’s fist, was removed along with twelve inches of colon.

Dotty has already received CT scans, MRIs, x-rays, labs and 2 surgeries. Several of these tests must be repeated. She will endure very aggressive chemotherapy receiving three different chemo treatments biweekly for at least 6 months.

Working is no longer possible for Dotty. She does not have any health insurance. The county and state have advised her that they cannot assist her with any financial aid toward the \$14,200 cost of each chemo treatment. Her medical and personal bills are stacking up. In order to help alleviate the financial strain she is facing, her family and friends are hosting a fundraiser benefit.

SUNDAY, APRIL 10, 2011, Gaelic Park, 6119 W. 147th Street, Oak Forest, IL 60452, 2:00 p.m. to 7:00 p.m.

Any donation you can offer to help the success of this event will be greatly appreciated. We are looking for donations for our prize raffles and silent auction as well as monetary donations which can be mailed directly to:

I NEED ASSISTANCE. CAN FEMA HELP?

What kind of disaster assistance can FEMA provide?

It depends on the type of your disaster damages.

If your home is damaged and you cannot live there safely, you may be eligible for temporary housing assistance.

If you're a homeowner, you could also be eligible for money to help with the cost of repairing damages not covered by insurance.

Owners and renters could be eligible for money to help replace furniture, clothes or other damaged personal items.

If you have other serious disaster-related needs, you could be eligible for money to help with expenses such as medical, dental and transportation costs.

FEMA can help you contact other disaster recovery agencies that may be able to help you on the road to recovery. For example, you may be able to qualify for a low interest disaster loan through the Small Business Administration (SBA). The SBA will require a separate loan application.

What do I need to do?

If you have insurance, please call your insurance company before calling FEMA. Only damages that

are NOT covered by insurance can qualify for FEMA disaster

assistance. By law we can not duplicate benefits.

Apply for assistance with FEMA. Apply online at www.DisasterAssistance.gov or call 1-800-621-FEMA (3362) or TTY 1-800-462-7585 to apply by telephone.

What happens after I apply?

We will mail you a copy of your application and a copy of Help After a Disaster: Applicant's Guide to the Individuals and Households Program. After that, a FEMA inspector will contact you for an appointment to survey your damaged property if necessary.

How can I check the status of my application?

Go to www.DisasterAssistance.gov or call the FEMA Helpline at 1-800-621-3362 or TTY 1-800-462-7585.

It's important to remember that FEMA programs offer temporary assistance and are not designed to return individuals to pre-disaster status.

What time period does FEMA assistance apply to?

Damages incurred between July 22 and August 7, 2010 may be eligible for FEMA assistance.

**ANDY'S FROZEN CUSTARD, The Green Oaks Shopping Center,
9507 South Cicero Avenue**

Andy's Frozen Custard recently had their Grand Opening in Oak Lawn to "standing-room" crowds only. Andy Kuntz, president of Andy's Frozen Custard, was excited about remodeling of the former Del Taco restaurant. According to Andy, the difference between ice cream and frozen custard is frozen custard is made fresh every hour. Basically, any frozen dessert gets worse as time goes on. So the fresher it is, the better it is. The creamier it tastes. Frozen custard is also served slightly warmer than ice cream. If you go to your local ice cream shop and get a scoop of hard ice cream, generally that product is around zero degrees and will actually freeze your taste buds. Our product still feels cold on your palette and your mouth, but won't freeze your mouth. By the time you get to the end of a sundae or concrete, you're still able to taste that it is a strawberry or a caramel. With something colder, by the time you get to the fourth bite, you really can't taste the flavor. That's really the big difference with frozen custard and ice cream. Look for the "BIG" cone on Cicero Avenue and stop in and enjoy the newest treat in our neighborhood.

QDOBA, Oak Lawn Town Center, 5137 West 95th Street

Qdoba Mexican Grill is now open for business. Qdoba serves burritos made in the San Francisco burrito style, tacos, quesadillas, taco salads, chile con queso, Mexican gumbo, and fresh guacamole. The restaurant fits into the "fast casual" category, offering both quick service and a higher quality of food than typical fast-food restaurants. Customers order by selecting an entrée, then choosing its ingredients. All of the items are made in plain view of the customer. The chain's current slogan is "Fast Fresh and Friendly".

SMASHBURGER, Oak Lawn Town Center,

5145 West 95th Street

Qdoba's will have a new neighbor - Smashburger. Construction on the new Smashburger store should begin in late February. Smashburger is fast becoming every city's favorite place for burgers. It is perfect for eating in or having a better burger to go, a quick workday lunch, the weekend burger and beer, date night, a family dinner, or with the team after the game. Smashburger has something great for everyone. Along with their great-tasting burgers and smashfries - smashchicken sandwiches and

signature salads, veggie frites and haystack onions, Häagen-Dazs shakes and bottled beer and wine - help make smashburger every city's favorite place for burgers.

2 Toots Train Whistle Grill, Children's Museum

A future family restaurant is in the planning stage right next door to The Children's Museum - 2 Toots Train Whistle Grill. Owners Dale Eisenberg and Mike Ventre decided to create their own special place for families to enjoy a tasty meal delivered on toy trains. At 2 Toots Train Whistle Grill, Dale and Mike have recreated the look and feel of a 50's lunch counter, rekindling the fond memories of a time past. But one thing never goes out of style – finding a place where people of all generations can sit back, relax and enjoy a tasty meal. Dale and Mike pride themselves in creating a place that appeals to kids of all ages! Offering old fashion burgers, fries, hot dogs, sandwiches, salads and more, 2 Toots Train Whistle Grill has something for everyone! And their homemade treats and hand dipped ice cream creations are second to none! Look for 2 Toots Train Whistle Grill to open in late spring.
