The purpose of the safety meetings, which have been taking place over the past several months, is to bring people together to discuss safety concerns you may have, especially given recent armed robberies (and another attempted one in November successfully prevented by our police *before* it took place). It is also important to make sure that people are signed up for our Everbridge Emergency Alert System, which sends important notifications to your home, computer and/or telephone. We will have computers there for residents to sign up that night if you wish.
