Water Conservation Program

Normal Conservation is in effect May 15th through September 15th

Sprinkling is address and time specific

Addresses that end with an odd number (1,3,5,7,9) are allowed to water on an odd numbered date (1,3,5,7,9,11,13,15 etc.)

Addresses that end with an even number (2,4,6,8) are allowed to water on an even numbered date (2,4,6,8,10,12,14 etc.)

Hours of operation for hose fed & manual underground sprinklers:

7am-11am & 7pm-11pm (on odd/even designated day)

Hours of operation for automated underground sprinklers:

Midnight-5am (on odd/even designated day)

SPRINKLING IS RESTRICTED TO DESIGNATED HOURS AND DAYS

EMERGENCY CONSERVATION

Should severe drought conditions develop, Emergency Conservation is imposed by Mayoral Declaration, further limiting or suspending all outside sprinkling

For more information or questions on which type of sprinkling system you have, please contact the Oak Lawn Public Works Department at 708.499.7756 or the Water Division at 708.499.7747
