

## No Visitor Policy

To keep our patients and team members safe, **no visitors**, with few exceptions, will be allowed until further notice.

Exceptions include:

- Pediatric caregivers (2)
- Caregivers necessary for the emotional well-being of the patient (1)
- Partner and midwife/doula of a laboring mother (2)
- End of life situations (# of visitors determined on a case-by-case basis)
- Emergency Department companion (1)
- Outpatient area companion (1)
- In person discharge instructions (1)
- Professionals assigned to assist with procedures (1)

All visitors who meet the above criteria must pass a health screening. Thank you for your understanding and cooperation in helping to keep our patients and team members safe.
