WEST NILE VIRUS

The South Cook County Mosquito Abatement District (SCCMAD), the Illinois Department of Public Health (IDPH) and the Cook County Department of Public Health (CCDPH) have several mosquito traps set up throughout the Village of Oak Lawn. They attract mosquitoes, especially the culex pipiens which transmit West Nile Virus to humans. Every 2 or 3 days, depending on weather, the agencies empty the traps and collect all the mosquitoes. They then sort out the culex pipiens. These mosquitoes are smaller than the more common nuisance mosquitoes and have stripes on their legs. The typical testing protocol is to take a batch of 100 culex pipiens and chemically test them for the virus. Since late June the amount of virus in our samples has significantly increased.

The following precautions are recommended:

- Remove stagnant water on your property.
- Avoid being outdoor when mosquitoes are most active, especially between dusk & dawn.
- Use mosquito repellent when outdoors.
- Swimming pools must be filtered daily and wading pools emptied daily.
- Drain standing water in children's toys, tires, flower pots, bird baths, and any other item collecting water.
- Clear gutters and downspouts to allow water to drain completely.
- Repair any ripped or torn screens to keep mosquitoes out of your house.

KAYLAH'S BENEFIT

Please join us on Saturday, August 18, 2012 for Kaylah Lentine's benefit along with Fatso's one year anniversary. Both will be held on the same date in order to increase chances for larger possible donations that will be given to her family in order to help support the loss of young Kaylah. The event will take place between 12:00 p.m. and 8:00 p.m.

The event will be held in the lot across the street from Fatso's (a special thanks to Hawk Ford) along with a small section of the street at 95th and McVicker will be open as well. However, customers will have to drive around Taco Bell and through the alley which will be left open for easier transportation.

Admission is \$5.00 per person which includes a hot dog (donated by Vienna Beef) and a beverage choice of either pop or water. Other events and activities taking place will include face paintings, a raffle, an inflatable Jump-N-Fun for the children, and many more.

Some of you may not know who Kaylah Lentine is. Kaylah was an 8th grade student at Oak Lawn Hometown Middle School who happened to miss her bus on the morning of May 24, 2012. In a rush to get to school in order to attend an awards ceremony she was crossing the intersection of Southwest Highway and Cicero Avenue where she was tragically struck by an oncoming car and passed away shortly after the incident. Our hearts and prayers go out to Kaylah and to her family.
