Important Safety Information from Nicor Gas

Nicor Gas is reminding customers that representatives from our company always carry proper identification and never ask customers for cash or personal financial information.

With door-to-door scams, someone impersonating a utility worker will visit a customer's home looking to get personal information or account information, and sometimes attempting to get in their home.

Customers can avoid being scammed by taking a few precautions:

- ◆ Never provide social security or personal information to anyone initiating contact with you claiming to be a **Nicor Gas representative** or requesting you to send money to another person or entity other than **Nicor Gas**.
- ◆ Always ask to see a company photo ID before allowing any utility worker in your home or business.
- ◆ When in doubt, check it out. Be skeptical of individuals wearing clothing with old or defaced company logos. If you have any doubts, ask to see a company ID. **Residents can contact Nicor Gas Customer Care at 888-642-6748 (888-Nicor4U) to confirm that the person at their door is a Nicor Gas employee.**
- ◆ Never make payment for services to anyone coming to the door.

Some of our customers in this area still have meters inside their basements; as such, access to the gas meter is done in the presence of an adult at the home. These gas meter reads are not necessarily done by appointment – **Nicor Gas employees** will walk a route and call on these customers as they walk these routes by knocking/ringing at their door.

OAK LAWN FIRE & RESCUE NEWSLETTER MAY 2015

The Oak Lawn Fire Department has achieved the American Heart Association's 2015 Mission: Lifeline[®] EMS Gold Level Recognition Award. The award recognizes the vital importance of Emergency Medical Services providers for implementing quality improvement measures for the treatment of patients who experience severe heart attacks.

Agencies that receive the Mission: Lifeline Gold award have demonstrated at least 75 percent compliance for each required achievement measure for two years and treated at least eight STEMI patients for each year. Oak Lawn was one of only three fire departments recognized in the State of Illinois.

Also, congratulations to Engineer Paul Chocola for receiving this year's Lions Club Firefighter of the Year Award! After responding to a 911 call for a choking baby, Paul was able to clear the infant's airway, saving her life. Great job, Paul!

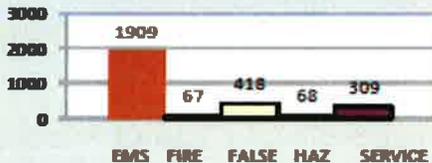

During the months of April and May, winners of the fire safety poster contest get a "Ride to School on a Fire Engine". These pictures show Araceli (on the left) getting ready for her ride to Covington School.

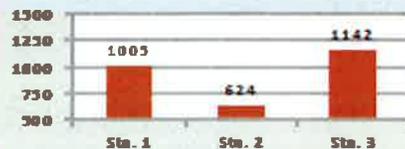

On the right, Lt. Steve Rockey is interacting with the children of Southwest Christian School after giving a student a ride to school on the fire engine.

Oak Lawn Public Library's Helping Hands Station

Our new Helping Hands Station is up and running in the Oak Lawn Public Library's, 9427 S. Raymond Avenue vestibule. Giving back to the community means a great deal to our library staff. We're now expanding our efforts and creating a library drop-off station to collect various items to benefit Oak Lawn schools, local veterans and the families staying at the Ronald McDonald House.

Join library staff in recycling the following: Pop Tabs - To benefit the Ronald McDonald House. Collecting pop tabs helps pay the housing bills so moms and dads need not worry about where to stay while their children are receiving cancer treatment at Advocate Children's Hospital in Oak Lawn. Cell Phones - To benefit military and at-risk families. Eyeglasses - To benefit local residents in need of eyeglasses through the Lions Club. Stamps - To benefit foreign missions in Africa. Box Tops for Education – To benefit Oak Lawn schools. Each box top is worth 10¢; find box tops on hundreds of products at www.boxtops4education.com. Labels for Education – To benefit Oak Lawn schools. Learn about eligible UPCs and beverage/sauce caps at www.labelsforeducation.com. Batteries – In an effort to be green, small batteries will be collected and recycled appropriately in the community.

District 123 Art Show

The D123 art show was a huge success this year displaying 130 pieces of artwork designed and created by D123's talented art students!

After learning about famous artists and their artistic styles, students recreated their own versions from the famous masterpieces. The artwork displayed the Elements and Principles of Art and each student's unique interpretation of the projects assigned.

Each project displayed an excellent use of craftsmanship, attention to detail, and use of creativity. Students were able to put their own creative flare into each project, making each one unique and visually interesting!
